Thank you for considering placement of your sponsorship banner on the SLV High School softball field. These fields host more than 120 high school softball, youth softball and youth baseball games each year. This opportunity is a great way to advertise your company and support

local youth. Your sign will be seen by thousands of local residents.

We display your banner on the outfield fence through the high school softball season and the SLV Little League season. Signs are placed on the field in early February and taken down after the SLV Little League season completes in July.

New and Renewal sign orders are taken in the fall prior to the season. Signs are placed on a first come-first served basis. All donations from the banners go to the improvement of the fields and the surrounding facilities.

**Orders can be placed using the attached order form or by contacting the SLVHS Softball program at [info@slvsoftball.com](mailto:info@slvsoftball.com) or calling/texting 831-566-5699**
